

THIRD INFORMATION LETTER

PlantGen 2023

<https://plantgen2023.ofr.su>

VII International Scientific Conference

Plant Genetics, Genomics, Bioinformatics and Biotechnology

July 10 – 15, 2023

Kazan, Republic of Tatarstan, Russia

Dear Colleagues!

The Organizing Committee of PlantGen2023 informs that the VII International Scientific Conference "Genetics, Genomics, Bioinformatics and Biotechnology of Plants" (PlantGen 2023) will be held in Kazan from **July 10 to 15, 2023** on the basis of the Federal Research Center "Kazan Scientific Center of the Russian Academy of Sciences". The change in the start date of the conference is due to the large number of applications for participation in the School of Young Scientists. Therefore, it was decided to allocate an additional day (July 10, 2023) for events within the framework of the School of Young Scientists (registration of participants, lectures, master classes). The main part of the conference will be held on the previously announced days from July 11 to July 15, 2023. You can see the preliminary schedule of the conference in the attachment to the letter.

Although 4 months are left before the Conference starts, the Organizing Committee kindly asks the participants to book accommodation in advance. Due to the fact that our conference will be held during the high tourist season, the number of available places, especially in the city centre, may be limited. The Organizing Committee offers three hotels of different price categories (Bulgar, IT Park Hotel, Grand Hotel) as recommended conference hotels. IT-Park Hotel and Grand Hotel are close to the conference venue (IT-Park). If at least 20 participants are accommodated in the Bulgar

Hotel, the Organizing Committee plans to deliver them from the hotel to the IT-Park in the morning and back after the completion of the program. We have also selected the most interesting and convenient accommodation offers, which are located within walking distance to the conference venue. Among them you will find hotels and hostels with moderate prices and comfortable hotels, as well as cozy mini-hotels with a unique flavor. The indicated prices are valid on the date of mailing the letter. Prices for the period of stay must be checked on the website or by calling the hotel/hostel.

When choosing a hotel/hostel not listed in the table, please pay attention to transport accessibility. The conference venue (IT-Park) can be reached by trolleybuses 8, 9, 12 (stop "Torgovie Ryadi Altin"/"Trading Rows Altyn"), buses 1, 2, 31, 37, 47, 74 (stop "Teatr Kukol"/"Puppet Theatre") or metro (station "Sukonnaya Sloboda"). Public transport stops are 10 minutes away ("Shopping Rows "Altyn" and "Puppet Theatre") and 15 minutes (Sukonnaya Sloboda/Cloth Settlement) walk from IT-Park. If you have any questions, you can write to the official address of the conference plantgen2023@mail.ru, and we will try to help. We can advise you about the hotel / hostel location and transport accessibility.

Please note that booking hotels / hostels is carried out by the participants themselves.

The information about the excursion program organized by the Organizing Committee, as well as the schedule of the School of Young Scientists will be offered in the next information letters.

See you at **PlantGen 2023!**

Organizing committee of PlantGen 2023
